## YOUTHS WILL BE TRAINED AS SOLDIERS

[By Latest Mail]  
LONDON—The Association of Chambers of Commerce has submitted a memorandum to the prime minister on the provision of universal training in discipline and arms for the youth of the nation in order to meet the urgent necessity for adequate national defense.

This memorandum was submitted in response to the request of the prime minister for the views of the association on the matter.

In the view of the association the development of aerial navigation and other changed conditions calls for the reconsideration of the whole question of national defense.

While the establishment of the territorial force or regular army, and the moral welfare of the nation would be enhanced on patriotic lines.

South Africa, Australia and New Zealand, it is pointed out, have adopted a system of universal training with satisfactory results, and there is abundant evidence that continental countries are not indifferent to the advantages that accrue from military training in the development of physique and the formation of character, which are as beneficial in time of peace as they would be in time of war.

A course of physical training comparatively early in life, the association considers would better prepare youths and young men for service in the territorial force or regular army, and the moral welfare of the nation would be enhanced on patriotic lines.

**Morning on 'CHANGE**

Hawaiian Commercial was the only sugar stock dealt in today on the stock board, and it made two advances of one-eighth point each to 26.62 1/2—ten shares selling at 26.50 and two lots of five shares each at the higher price mentioned. The last sale price is now bid and an eighth more asked. Mutual Telephone declined 3/4 points to 20.25 for 5 and 15 shares.

A dividend of 75 cents a share, amounting to \$15,000, is announced by the Hawaiian Agricultural Co.

**COMMERCIAL ITEMS**  
Stocks in New York on Saturday yielded to selling in the way of profit-taking. Petroleum stocks continued their decline, California at 19 being a new low record.

Hawaiian stocks in San Francisco on Saturday were quoted as follows: Hawaiian Commercial, 36.3-8 bid; Hawaiian Sugar, 25.1-4 bid; Honokaa, 8 bid; Papaohau, 13.1-2 bid; Union, 20.1-2 asked; Hutchinson, 16 asked; Onomea, 21 bid.

Bills against the territory for the past biennial period which will not have been presented today will have to await next session of the legislature for payment, as this is the final date for closing the books for that period by the auditor.

**BORN.**  
EOTELHO—In Honolulu, July 19, 1913, to Mr. and Mrs. M. P. Botelho, a daughter.

Practically all the railway employees of Prussia have served in the army, says the Army and Navy Journal. When they enter the railway ranks from the army certain credits are allowed for their military service and certain positions are reserved for army men. This military experience shows its influence on their deportment and discipline in railway service. There is a noticeable orderliness and precision about everything connected with German railways. In respect for authority and strict observance of the rules the German railway employes have no superior.
